7	NP03-88A	88	8.5	17	12	M8	42	NdFeB	rubber
8	NP03-89.3	89.3	8.5	8.5	12	#1/4-20	45	NdFeB	rubber

The rubber-coated mounting magnets with screwed brush offer magnetic bases for waterproof magnetic ceiling hooks and rustproof holding magnets for outdoor use. All the internal thread rubber-coated mounting magnets are made with neodymium material, which produces the strongest strength.

There are still many other variables in terms of the size, thread types, thread height, surface treatment, pull force requirements etc. If you didn't find the parts will accommodate your application, simply write to us, we are able to offer you custom-made service or related questions.
